Missy-

What to say to one who is
 so competent in so many things;
 who wisely doesn't pass up chances
 to learn; who willingly shares what
 she has with others, and who is
 loyal to her friends. Thanks for being
 a tutor this year - you've helped to
 perform an important service to
 the school. I can't tell you how
 glad I am to know you'll be back
 next year and that you'll be serving
 as a class leader. It gives me
 hope for the spirit of the class of '82!
 Have a great summer and I
 look forward to seeing you in the
 fall!

Cathie Wiehe

Missy, a great, intelligent

FACULTY

The teachers wanted to teach and the students wanted to learn. Though this year started out differently, the strike didn't interfere with the student - teacher relationship here at San Jose High. After the strike they joined with the students and have supported them all the way to become more involved in classwork, class cooperation, activities, clubs, and sports. Our faculty is not like any other faculty. They use much of their spare time to help the students in their efforts to get the absolute most from four years of high school.

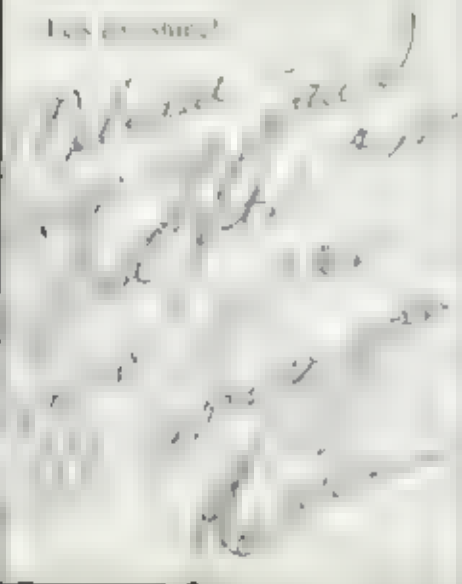

for you to take advantage of your opportunity. The information you need is right in front of you. Don't waste your time you are wasting your life.

SPIRIT WEEK!

It's always a new spirit in the air when Spirit Week comes around. This year's Spirit Week proved to be the best one ever! Beginning Monday, the week was filled with Snow Day, Cross Day, the Powder Puff Football Game, Red and Green Day, and Big Red Day. The week ended on Friday with the Homecoming Dance and the Thanksgiving Dinner. What a time to remember!

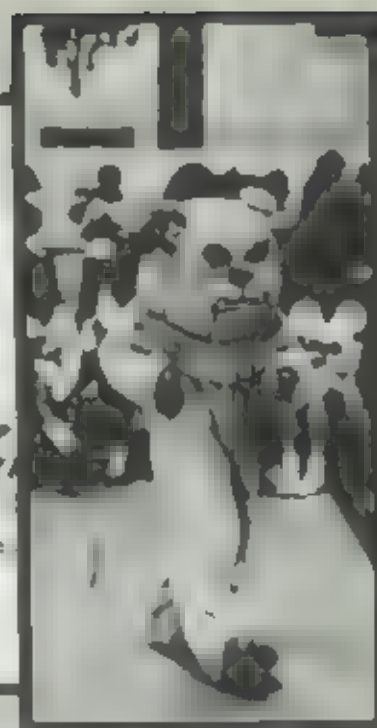

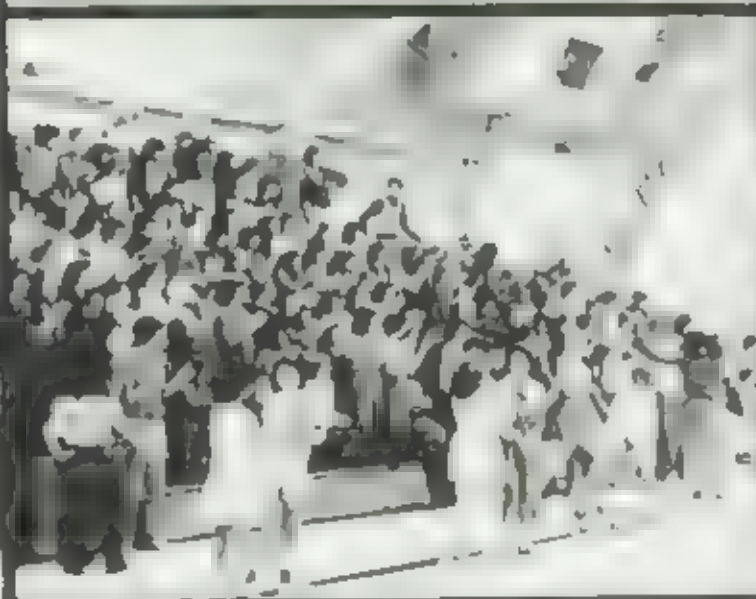

POWDER PUFF FOOTBALL

The Senior girls challenged the Women Faculty to a Powder Puff Football game. Everyone came out to watch the Senior "Cheerleaders" root their players to victory over the faculty by a score of 6-0. "Blowns Brasher" cheered on the faculty. The Officials, Mr. Hawkins and Mr. Morales did their best to officiate the game "fairly".

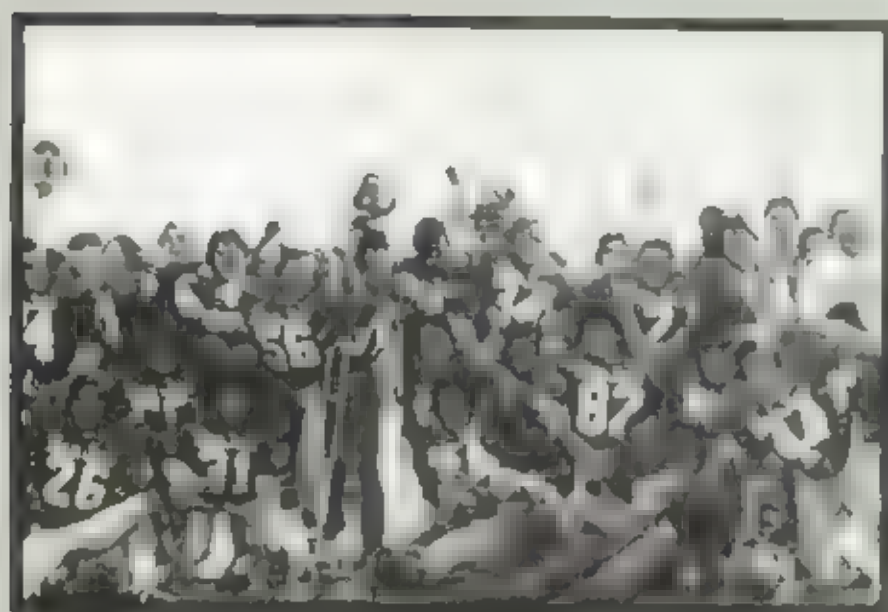

Nothing will ever replace the cheer, spirit, and pride found at the Big Bone Exchange Rally in our own S.D.S. Gym! The cheers, Pep Band, and inspirational speeches helped get us ready for the big game!

BIG BONE TIME!

Throughout the stanzas our banner was waving Red - Gray! And waving they were! The Red and Gray was displayed by the crowd led by the Rally Committee, Pep Band and Pep Club helped create the mood for it. He dogs to "Pick up the Facts" by a score of 28-0!

Among the alternative club and program goals are cultural and social awareness along with academic achievement. Besides classroom work and counseling the program offers various trips which are both educational and recreational in nature. These excursions also serve as rewards for outstanding performance. The Yosemite Science Institutes, Island Meadows snow trip and a tour of Alcatraz Island were among the many journeys taken by the group this year.

God's Lent Child

"Lend me for a little while a child of mine," God said
For you to love this while he lives, and mourn for when he's dead.

It may be a while, but I'll call him back, take care of him for me!"

He'll bring me gladness, and (should his stay be brief)
You'll have his lovely memories as solace for your grief.

I promise he will stay, since all from earth return
But there are lessons taught below, I want this child to learn.

I've looked the whole world over in my search for teachers true
And from the things that crowd life's lane I have chosen you.

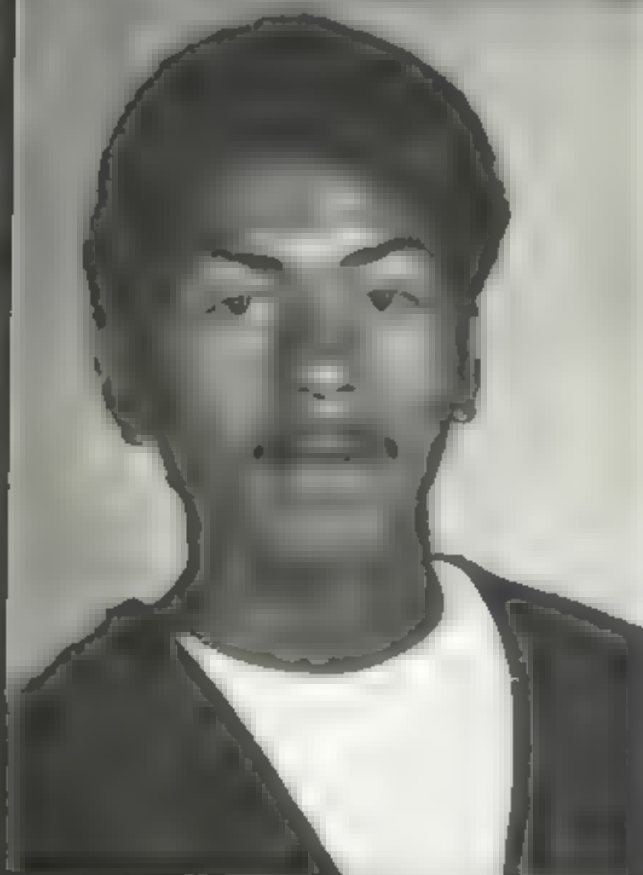

Now will you give him all your love? Not think the labor
Nor hate me when I come to take this lent child back again.

I fancied that I heard them say, "Dear Lord, they will be done."
But all the love this child will bring, the risk of grief we'll run.

We will shelter him with tenderness, we'll love him while we may
And for happiness we've known forever grateful stay.

But should thy angels call for him, much sooner than we've planned
We'll brave the bitter grief that comes and try to understand.

HALLOWEEN COSTUME DAY

Witches and goblins, ghosts and ghouls, (and a few others), all helped celebrate Halloween by dressing down and coming out to the Senior Lawn for some Halloween festivities. The winners of the class competition were: Pumpkin Seed Spitting; the Sophomores; Pumpkin Pie Eating; The Sophomores; Carmel Apple Eating; The Juniors; and Pumpkin Carving Contest; The Seniors. The Costume Competition was won by the Senior Class. What a day to remember!

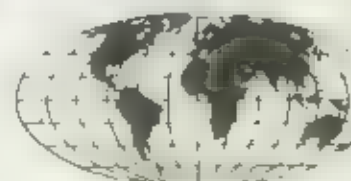

FOOD-FUN-FROLIC

THE BILINGUAL DINNER

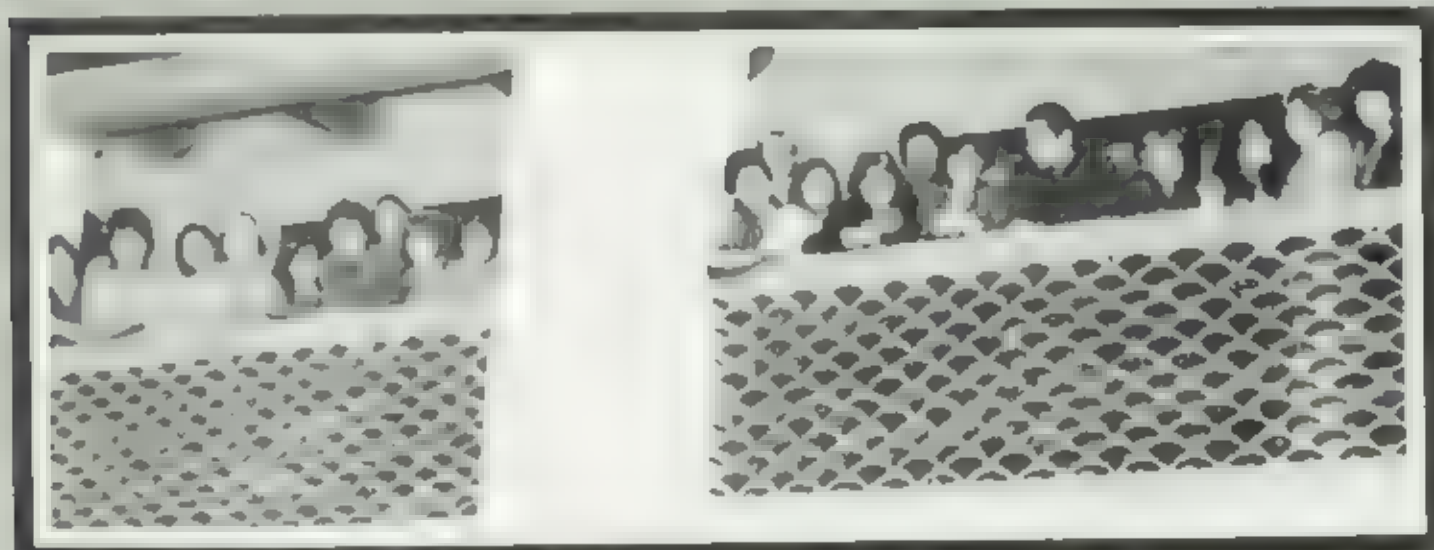

On November 5 of this school year about 250 parents and students attended the sixth Potluck Dinner and Cultural Evening organized twice annually by the Bilingual Program Staff at San Jose High. In attendance were many teachers and instructional aides. Many of the members of the bilingual staff participated in the evenings program. Everyone enjoyed the delicious Mexican, Portuguese, and Vietnamese foods brought by parents and staff. After the dinner a play in Portuguese was put on by the Portuguese students which was followed by dancing to the rhythm of a very popular local orchestra.

FROSH-SOPH PUPS

The inexperienced Frosh-Soph Bulls grew throughout the season to become a team that has shown improvement and team spirit. Next year promises to be even a much better and stronger team. Joe Rose, sophomore defensive linebacker and offensive tight end, was a stand-out during every game he played. Zeke Mendez, Joe Rose, Frank Martin, and Mingo Rodriguez all made first team all-league. Second team all-league players were John Morgado, Robert Soto, Mark Cordova and Eddie Galvan.

A DREAM COME TRUE

This year's Varsity Soccer team will go down in history as one of the best teams, if not *the* best, in the Central Coast Section. Our team won three titles, STAL Champions, CCS Region III Champions, and the most important title ever brought to San Jose High in its history, CCS Champions.

This year's team was not only made up of outstanding players with skill, finesse, and style, but also with gentlemen who showed unity, dedication, and pride in all they did on or off the field.

HART'S COMMENTS

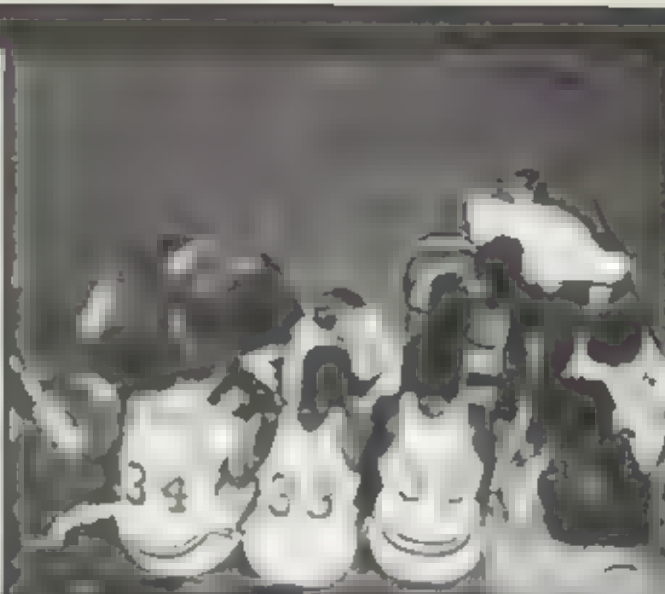

The 1980-81 season was highlighted by the best performance of the team in the history of the school. The team won the championship of the Reno Tournament and finished the season with a record of 14-8. The team's success was due to the hard work and self-discipline of the players, who responded well to failure throughout the year and continued to work very hard at every practice and game. I've never coached a more dedicated group of young athletes who worked as hard as these fine young athletes.

Next season, we will continue to work hard and much self-discipline.

FROSH - SOPH GETS READY!

1980-81 FROSH-SOPH BASKETBALL

This year our frosh-soph team was unable to play consistently because of our lack of experience. Our record was 6 wins 16 losses. We won 3 preseason games and 3 league games. We started the year with a win over Andrew H. 50-41. Sal Cortez was the leading scorer with 27 pts. Our next win was 38-36 over Newark's Junior Varsity team. We defeated Mt. Pleasant 32-31 to end our preseason play. After winning our first league game against Willow Glen 44-42 we were unable to win another game in our next 2 games. We defeated the 1st place team, Leland 36-35 and got revenge against Lincoln by winning our last game 48-43. Some players who stood out this year were Sal Cortez who was only a 1st league player and leading scorer with a total of 273 points. Also doing a great job were Gary Sanchez and Demetrius Johnson who were both leading rebounders with 47 each.

This 1980 Cross Country season was very productive for a young team, both boy's and girl's. Led by David Barries and Lenny Welch, the Varsity boy's ended the season with a 3 and 3 league record and 4th place overall in the league. Both Barries and Welch were voted Co-MVP's for the 1980 season. John Soto was voted as the most improved runner. The Varsity team will only lose two runner's next year to graduation: John Soto and Jose Posadas. Next season could be a strong year.

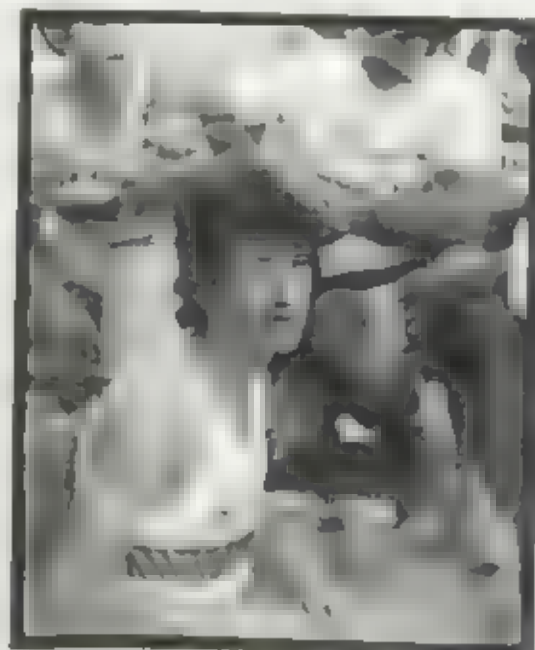

The Varsity girl's show to be very promising with many underclassmen participating this season. Berta Raposo was voted MVP for the girl's with Mary Ann Bondi and Espana being selected as Most Improved runners. With more and more people becoming interested in running long distance the future looks bright for San Jose.

When baseball rolls around at San Jose High each spring, it has become a rebuilding process and this year is no different for Coach Dawson. Six sophomores, seven juniors, and eight seniors, make up this year's team. "I have only hope that these young men stay together this year and we can put together a competitive season." Returning from last year's team are All-League jumper Robinson and Mike Hoffman. Ken Tanase, a Junior and Fred McCasland are strong players at their positions. Coach Dawson is looking for a lot of help from newcomers Frank Martinez and Sophomore Booker Moore to caddy the Bulldogs to a productive season.

VARSITY BADMINTON

1981

The 1981 badminton season marked the first time for a co-educational program. The boys were included on a trial basis with 2 single players, one doubles, and a mixed doubles.

The girl's team returned every player from the previous year and have shown signs of vast improvement in skill and ability. We will be competitive in team league play this year, as we have a lot of depth in each position as well as a group of players that are working very hard. This group includes seniors Naomi Nanez, Sharlene Vite, Liz Rodriguez and Angela Rocco who are contributing to the success of our team. We also have other outstanding players as Olga Tran, Anita Rangel, Yolanda Brava who are also a solid part of the team.

The boys are a great addition as we have several outstanding players in VuBui, Dong-Trang, Nguyen Vu Bui, Dinh.

DAYBREAK-

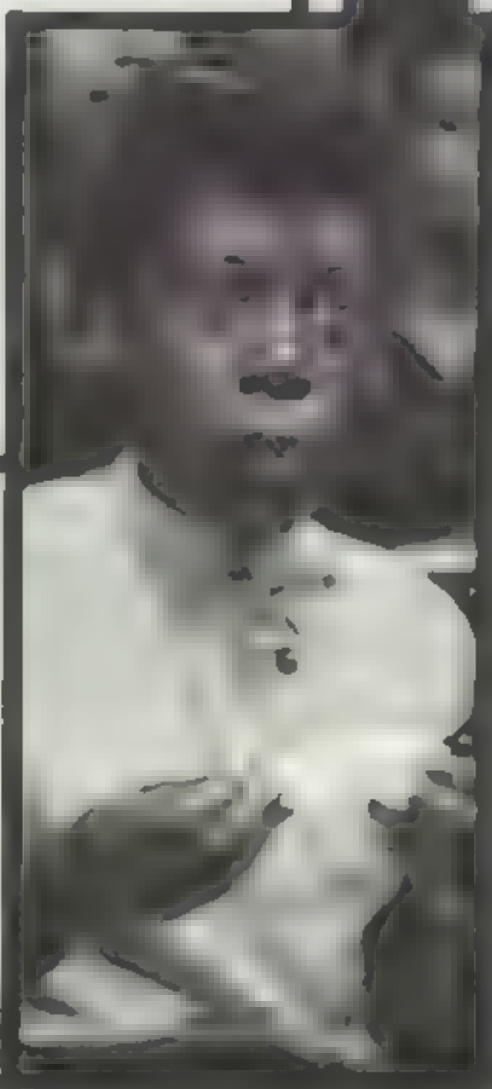

The Dawning of a new Spirit-
The Dawning of a new Day
This is San Jose High 1980-1981

NO ONE ALLOWED ASHORE
WITHOUT A PASS

As Freshmen, we entered San Jose High School apprehensive about the next four years; overwhelmed by the building, the classes and the number of students.

As seniors, we reflect upon the past and find that San Jose High has been our home for four years. We leave with the ability to get along with others of different backgrounds; with the knowledge we need to get along in life; and with the willingness and desire to succeed and make our classmates proud.

San Jose High School offered each of us the opportunity to achieve whatever we desired. For that, the major goal of education, we say, "Thank You"

CONGRATS SENIORS!

I have been thinking much lately of the
many things I have seen in the world and how
they have changed. I have seen the old
ways of life and the new ways of life. I have
seen the old and the new and I have seen
the things that are going on in the world.
I have seen the things that are going on

surprised that you could skip so
gracefully in those heels! Seriously,
I want to congratulate you for
your high achievements and wish
you much success in pursuing
many more. You're talented and
I hope you take your gifts to
the top.
